city visitor.

The Hilo railway is now running
freight trains to Puna.

Honolulu Commandery will install
new officers tomorrow night.

P. Maurice McMahon, Irish, was nat-
uralized yesterday by Judge Estee.

The quarterly meeting of the Union
Feed Company will be held Friday at
10 a. m.

Theodore Richards and Rev. W. D.
Westervelt returned from Maui this
morning.

Henry Heitmann, formerly of this
city, is now the moving spirit in Hilo's
musical circles.

A Valentine social will be given by
the P. S. C. E. in Central Union church
Friday evening.

Dr. A. E. Nichols dentist has removed
his office to 123 Alakea street next to
the Masonic Temple.

C. J. Zeigenfuss, recently employed
on a local paper, is now on the staff of
the Manila American.

If a quorum can be procured there
will be a meeting of the Board of
Health this afternoon.

The adjourned quarterly meeting of
the Honolulu Tobacco Company will be
held Saturday at 9 a. m.

Dr. Sereno E. Bishop describes the
present storm as a perfect duplicate
of the storms of the old days.

The stock books of the Kohala Sugar
Company will be closed to transfers
from the 20th to the 28th inclusive.

No transfers will be made on the
books of the Waialua Agricultural Co.,
from February 15th to March 1st.

The present storm is interfering with
outside work. Building operations and
other improvements are at standstill.

An auction sale of fresh apples, can-
ned fruits, salt beef and mackerel will
be held by Morgan at 10 a. m. tomor-
row.

The annual meeting of the Kohala
Sugar Company will be held at the of-
fice of Castle & Cooke, February 25, at
10 a. m.

The stock books of the Waimea Sugar
Mill Company will be closed to trans-
fers from February 20 to February 28,
inclusive.

J. L. Coke, who has been associated
with George Hons of Wailuku, came
from Maui this morning, on his way to
the Orient.

P. D. Kellett has been appointed
guardian of the property of Carl Lund-
hal, an inmate of the insane asylum,
under \$2,000 bonds.

No transfers will be made on the
stock books of the Ewa Plantation Co.,
from Saturday, February 20, to Friday,
March 1st, inclusive.

Owing to the inclement weather the
Honolulu Commandery has postponed
its installation of officers. Only a regu-
lar meeting will be had.

Aala "park" was flooded with water
this morning, making it quite difficult
for pupils and teachers to find their
way into the Royal school.

The annual meeting of the stock-
holders of the Hawaiian Sugar Com-
pany will be held on the 28th inst. in
the Chamber of Commerce rooms.

The Internal Revenue office will be
closed tomorrow, pending the turning
over of the business to the new collec-

dedication of the Chinese church.

There will be a mass meeting of Ha-
waiians in the Orpheum theater next
Tuesday evening for the purpose of dis-
cussing fire claims and the proper
means of getting relief from the legis-
lature.

Have you tried the new cooling and
healthful saline aperient known as Al-
len's Fruit Salt? Being unlike other
drastic cathartics it is exhilarating
rather than depressing. For sale by
the Hobron Drug Co.

On account of the bad weather and
indisposition Miss Ackermann could
not reach the meeting of the Woman's
Club yesterday, so her lecture on China
had to go over. A very interesting
general program was enjoyed, however.

The Odd Fellows of Honolulu are
making extensive preparations for the
celebration of the twenty-seventh an-
niversary of the order. A meeting on
the matter, of past grands, will be held
in Harmony hall next Sunday morning.

THEY WANT A WALK.
Residents of Beretania street are in
arms on account of the condition of
the sidewalk near the old armory. It
was laid open just before the storm
began, or about ten days ago, and has
been left in that state. It is clear that
the laying of concrete can not go on
during the storm, but what the people
kick about is that no board or other
walk has been laid around the wreck-
age and they have to wade in the mud
of the highway to get to town.

THE DRESSY MEN

Who Want
Correct Shirts

This store is becoming a men's store as
well as a women's store. And why, indeed,
shouldn't men consult their pocket books when
they buy, as well as women? This week we're
going to give every man a chance to save
many dollars on his shirt bill for a year to
come. This wise:

We have placed on our counters and in
our makai window, our entire shirt stock, and
they're going, gentlemen, going

Every Shirt at 75 cents

without reserve or hold over.

Now these shirts are not old plugs or
relics of the product of '95. They are up-to-
date shirts; just such shirts as regular fur-
nishers charge \$1.50 and \$2.00 for. We're
selling them in a lump, so we can afford to
take less than he.

THE LARGE SIZES predominate,
hence stout gentlemen, who sometimes find it
hard to get suitable patterns in 16 or 17, will
have great fun among this stock.

In conclusion—If you can't come in your-
self, let your wife come and pick out a few for
you. Shirts are not like cigars and this is too
good an opportunity to be missed.
